We have audited, in accordance with auditing standards generally accepted in the United States of America, audit requirements prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey, and *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Municipal Excess Liability Joint Insurance Fund (the "Fund") for the year ended December 31, 2019, and have issued our report thereon dated May 15, 2020.

As part of our audit, we performed procedures required by the New Jersey Department of Community Affairs, Division of Local Government Services, and the findings and results thereof are disclosed on the following pages. This letter does not affect our report dated May 15, 2020 on the financial statements of the Fund.

We will review the status of comments, if any, made during our next audit engagement. We have already discussed any comments and suggestions made with various management personnel, and we will be pleased to discuss them in further detail at your convenience or to perform any additional study of these matters.

Suggestions to Management:

Economic Conditions and their Effect on Fund Operations

The prolonged period of low interest rates we are experiencing has negatively affected the Fund's investment yield and Net Position. Investment income has declined from a high of more than $3,400,000 in 2007 to $1,754,444 for 2019.
